## Parent Certification

I have received and have carefully reviewed a copy of the "Application for Student Overnight and/or Extended Trip" described above. I also understand that board policy requires that financial cost for all trips is the responsibility of the student and/or parents, although some limited fund raising may be permitted by the principal. The financial cost for the trip is the personal responsibility of the student and his/her parents. This responsibility does not rest with the school or the community.

Note: It is important that the school officials know your honest feelings concerning the proposed excursion. Please do not modify your response to satisfy possible student peer pressure.

I am supportive of the proposal. Should my student participate, I also understand that my student is responsible to pay all costs before departure.

I am NOT supportive of the proposal.
