

American Fork High School Choirs

Choir Concert/Rehearsal Dates for the 2021-2022 School Year

All choir concerts, rehearsals, and festivals are mandatory and are factored into a student's academic grade.

Of course, if a student is ill or quarantined an alternative assignment will be provided. For more detailed information on this policy and acceptable exemptions, please refer to the choir disclosure document given the first day of class and also found on the choir website.

Other performances may arise as requested by the school and community.
At least two weeks' notice will be given for such events whenever possible.
